

“Distinguished Lecture Series”

Lecture by Mr. K. Ravindran

Ex-Faculty, Tata Institute of Social sciences, Mumbai

(28th June, 2022)

The 8th “Distinguished Lecture Series” lecture was organized by Dev Sangha Institute of Professional Studies and Educational Research on 28th June, 2022 on the topic “Philosophical Schema for Education”. The lecture was delivered by Mr. K. Ravindran, Ex-Faculty, Tata Institute of Social Sciences, Mumbai.

Mr. K. Ravindran exquisitely kept his deliberation on the ramification of philosophy with the concept of schema. He first introduced us to two branches of philosophy namely metaphysics and axiology. Successively he upheld the concept of epistemology, methodology, analysis and synthesis. **What was impressive was his incorporation of the Kantian philosophy into the topic. He kept into limelight the Kantian concept of conditional imperative.** For making the topic lucid, he used concrete illustrations.

The session was highly interactive and was attended by the faculty members, students of B.Ed. and M.Ed. of Dev Sangha Institute of Professional Studies and Educational Research. The programme was conducted via online mode. The entire program was excellently anchored by student teachers of B.Ed.-Priyanka Bagga and Nidhi Kumari.
