

Health Awareness Program on Cervical Cancer (6th May, 2022)

A Health Awareness Program on Cervical Cancer was organized on 6th May, 2022 by the Alumna Association, Dev Sangha Institute of Professional Studies and Educational Research, Deoghar in collaboration with INNER WHEEL CLUB, Deoghar. The main aim of this programme was to create awareness regarding cervical cancer among young girl students of our Institute.

The programme was conducted by Dr. Priyanka Rai (Faculty-in-charge, Obstetrics & Gynaecology, AIIMS, Deoghar, Dr. Pratima Gupta (Microbiologist, AIIMS, Deoghar) and Dr. Manju Benkar (Gynaecologist, Deoghar).

The distinguished gynaecologists and senior office bearers of Inner Wheel Club reiterated the need not only for vaccination for cervical cancer but also spoke at length on how this cancer is lethal for all women. Dr. Pratima Gupta introduced the topic of cancer to the student teachers while Dr. Priyanka Rai explained the causes and symptoms of the cervical cancer followed by the details of vaccines available at reasonable price. Using attractive visual aids to highlight the points, Dr. Priyanka encouraged all young girls to get vaccinated with suitable doses.

The programme was graced by the presence of Dr. Manju Benkar, a renowned gynaecologist of Deoghar and prominent members of the Inner Wheel Club, Deoghar. The programme concluded with the vote of thanks by Dr. Babita Kumari, Principal, DIPSER, Deoghar who thanked all the guests for their valuable time and information.
