

Special Lecture

Lecture by Prof (Dr.) Abhijit Kumar Pal

Professor and Head, Department of Education,
West Bengal State University, Barasat, Kolkata -700126, West Bengal, India

Prof (Dr.) Abhijit Kumar Pal addressing the students and the faculty members

The Special Lecture was organised by Dev Sangha Institute of Professional Studies and Educational Research, Deoghar on 30th April 2024, on the topic “**Research methodology in Education: Observation as a Technique of Data collection for Research in Education**” by Prof (Dr) Abhijit Kumar Pal, Professor and Head, Department of Education, West Bengal State University, Barasat, Kolkata - 700126, West Bengal

Prof (Dr.) Abhijit Kumar Pal, focussing on “**Research methodology in Education: Observation as a Technique of Data collection for Research in Education**” started his deliberation on the process of different types of observation and side by side its difficulties. He stated that if the researcher does participatory observation the data gathering become easy and more authentic. Applying practical approach in his lecture he used multi-media presentation to provide actual picture of observation as a technique of research.

The lecture was highly interactive, as it was in face to face mode, and was attended by Teachers and Students of Dev Sangha Institute of Professional Studies and Educational Research. The programme was anchored by M.Ed. Scholar Nidhi Kiran. The programme was successfully coordinated by Shri Kumud Ranjan Jha, Coordinator, DLS Programme.
